For Women. For Families. For Life.

***From Our Center to Ukraine***

Options has continued to be richly blessed through the generosity of our donors and partner organizations, allowing us to expand our ultrasound program in meaningful ways. We now have two beautiful ultrasound machines, enabling us to serve even more clients who walk through our doors. In a

special and unique opportunity, we were able to pass on one of our older machines as a gift to Ukraine through the ministry  *Holding Ukraine* .

We are deeply grateful to be part of something that extends far beyond our own walls by sharing the life-giving moment of seeing a baby in the womb, both here and across the world. It is a joy to be able to bless others in this way, and we are filled with hope as we think about the families this equipment will touch. We pray this ultrasound machine will bring comfort, encouragement, and renewed hope to those who need it most.

## 2026 Volunteer Appreciation Dinner

We were honored to celebrate our wonderful Options volunteers at our Annual Volunteer Appreciation Dinner. We are so deeply grateful for each dedicated individual who faithfully gives their time and energy to serve women and families in need, honoring the Lord through their work at Options. Our volunteers truly are the heart and soul of this ministry, and we simply could not make the impact we do without their faithful commitment and compassion.

There are many ways to get involved at Options, including serving as a Client Advocate or volunteering in our Resource Center. After completing our two-day training, volunteers are equipped to serve a few hours each week, directly supporting the life-affirming work of this ministry. If you or someone you know is interested in volunteering, please click the *“Join our Volunteer Team”* link to complete an application or contact us at

## ***Honoring Beverly Ewald***

CELEBRATING 15 YEARS OF SERVICE

The Options Board of Directors recently celebrated Executive Director Beverly Ewald for 15 years of faithful leadership, dedication, and heartfelt service to Options and the clients we are honored to serve. Beverly’s career has been marked by a deep commitment to walking alongside individuals in life’s most meaningful and challenging moments. As a Licensed Baccalaureate Social Worker (LBSW), she has compassionately served families in end-of-life care, supported students navigating personal struggles, and helped connect children with loving families through her work in adoption—all leading to her impactful leadership at Options.

Beverly leads with unwavering purpose, ensuring that every aspect of the Center reflects and advances the mission of Options: to be a Christ-centered organization dedicated to educating and encouraging people to choose life, to make positive sexual choices, and to bring healing to those affected by abortion. Her leadership is both visionary and grounded, always centered on honoring God and serving others with excellence.

Throughout her time at Options, Beverly has guided the organization through seasons of meaningful growth and transformation. She has led multiple name changes, welcomed and mentored numerous staff members, and overseen the construction of a beautiful new building. Through it all, she has worked

collaboratively and thoughtfully, helping create a space where every client feels safe, valued, and cared for, while also stewarding resources with wisdom and integrity.

Beverly's impact is seen not only in these accomplishments, but in the way she leads people. She consistently pours encouragement and appreciation into staff and volunteers, building a culture of care and unity. She connects sincerely with donors, helping them see the life-changing impact of their generosity. She also faithfully oversees the many moving parts of the ministry with grace and diligence.

We are deeply grateful for Beverly's leadership and the many ways she reflects Christ through her service. Her 15 years at Options are a testament to God's faithfulness and provision, and we celebrate the incredible blessing she is to this ministry.
